

JumpRopeSprint™ Championships

College of the Canyons

August 18, 2011

Second Annual Event

Welcome to the second annual JumpRopeSprint™ Championships. Admission and participation are free.

A year ago, Olympic athletes helped launch this new sport and set world record times for 100 meters. We expect a bigger turnout this year as more people are learning to run at top speed while twirling a jump rope once per stride. All levels of competitors are welcome.

Participants who pre-register will be afforded as many opportunities as time permits to post their best time, qualify for prize money and medals, and set a new world record.

Visit www.jumproperun.com to learn more about registration and view instructional videos as well as some great races.

Cost: Free to spectators and participants

When: 5:30 PM on August 18, 2011

Where: College of the Canyons stadium

Prizes: Top 4 men and top 4 women from qualifying heats will race in the finals for \$500 first place prizes.

More information is available at www.jumproperun.com.

The event will be filmed, and the footage may be aired on television and/or included in a movie.

Special thanks to College of the Canyons and Coach Lindie Kane belinda.kane@canyons.edu.

DIRECTIONS: Take I-5 to the Valencia Boulevard exit and go east one block. The stadium is on the right.
